See our full Made To Order range on pages 20-27
For sizes available direct from stock please see pages 128-137

Prices from £167.00

Choice

Columns

All made to order Ancona® radiators can be specified in either 2, 3, 4, 5 or 6 column depths, this allows you to achieve the output you require in the space you have available.

Mounting Options

Our Ancona® made to order can be mounted in one of three ways; Welded Feet; Cast Feet; by specifying Wall Brackets you can position your steel multi column at any height.

Service

Use our **online radiator builder** to select the best solution for your room. It will take you through the process quickly and easily and allows you to save your ideas to your own Wish List. Go to our NEW website www.theradiatorcompany.co.uk

Valves

With Ancona you have a wide choice of valves to choose from, depending on your overall interior décor you could select our traditional valves, Vintage or the larger Vintage XL, available in a selection of traditional finishes. Or you might have a more modern scheme where the Ideal or Pistol range are better suited.

Save £45 with our valve kit promotion, see product pages in the back of the brochure for full details or page 118.

Ancona® made to order finishes

The Ancona® made to order range is available in 188 RAL colours including our standard white RAL 9016, a bright porcelain white (as an alternative to the RAL colour 9010 Pure White, a soft creamier white can be specified at the standard white price). We also offer 34 special finishes including Gun Metal Grey, Textured White and Ivory, Mottled, Metallics, Golds or Bare Metal Lacquer finishes. Our Galvanised finishes are available in a select range of set sizes. **Call 01342 302250 for a RAL chart and Special Finish chart.**

188 RAL Colours

Match your room style by selecting from a full rainbow of 188 RAL colours. Use either contrasting colours to create a bold statement or sympathetic colours so your Ancona® blends in to your wall.

34 Special Finishes including Bare Metal Lacquer and Galvanised

There are 34 classic colours to choose from including: metallics, mottled, textured effects, as well as bare metal lacquer and galvanised finishes, for a Special Finish chart please call our Customer Service team on 01342 302250.

QUOTING **PROMOV2** AT TIME OF ORDER

For all Vintage TRV finishes

Create a radiator that matches your exact requirements with thousands of sizes, plus a choice of 188 RAL colours and 34 special finishes available including bare metal lacquer and galvanised finishes.

Choose your radiator using our online radiator builder

Once you know your outputs use our online radiator builder to select the best solution for your room. It will take you through the process quickly and easily and allows you to save your ideas to your own Wish List. Go to our **NEW** website **www.theradiatorcompany.co.uk**

It is vital to know the correct heat output you need to keep your room warm, use our online heat output calculator to get a guide to your requirements which you can then check with your installer.

Once you know your outputs you can use the brochure to specify your radiator by following these steps (or call our Customer Services team on 01342 302250 who will help you size your radiator)

- Note the space you have in mind for the radiator(s) you need; vertical or horizontal, length, height & depth
- Select a column option and height that fits your space; Calculate the number of sections you need by dividing the required BTU (Watt) output with the output per section; e.g 4142 BTUs divided by 205 = 20 sections, based on 3 column, 600mm high sections (always round up to the next whole number of sections)
- If using that section size doesn't work in the space available, try a different column option or if possible a different height
- Once you have calculated the best number and size of section, select the best mounting option. Wall hung options (standard wall brackets) are included in your radiator price. Cast feet or welded feet are an additional cost, see kit prices on page 143. Choose your colour from over 200 colours and special finishes; white RAL 9016 or 9010 are our standard finishes
- Work out the price of your radiator; e.g 3 column 600mm high, white, 20 x £30.46 = £609.20 + welded feet kit price £115.20 = £724.40 (inc VAT)
- Place your order with your local Merchant using the Sectional Model Code x No. of Sections needed, noting the Mounting Option and the name and number of colour you have chosen; e.g ANCO360W x 20 sections, RAL 9016 Traffic white, with welded feet.
- If you have chosen a colour use the colour reference 'R' instead of 'W' and list the colour number and name

All prices and outputs are given per section in the tables on pages 140-141. Price per section includes plugs, bushes and diverter. Mounting options must be selected separately, these will include the air vent and appropriate number of wall ties.

*Saving based on the value of individual items when bought separately. Order any of our selected valves and matching pipe covers at the same time as your radiator.

Ancona® Made to order Colours & Special Finishes

The Ancona® made to order range is availabe in White RAL 9016 as standard (as an alternative the RAL colour 9010 Pure White can be specified at the standard white price). They can also be ordered in one of the 188 RAL colours or any of the non galvanised special finishes including Gun Metal Grey, Textured White and Ivory, Mottled, Metallic and Gold finishes.

Call 01342 302250 for a RAL or special finish chart.

RAL Colours

Match your room style by selecting from a full rainbow of 188 RAL colours. Use either contrasting colours to create a bold statement or sympathetic colours so your Ancona® blends in to your wall.

Special Finishes & Bare Metal Lacquer

Choose from colours including metallics, mottled, textured effects as well as a bare metal lacquer, for a Special Finish chart please call our Customer Service team on 01342 302250.

Please specify your chosen RAL number and colour or special finish at time of order.

Galvanised Finishes

We have developed a range of truly unique, stunning and “on trend” finishes in classic Antique Copper, Antique Brass and a more contemporary Satin Nickel. We take individual sections of Ancona®, hand polish every part of the section, then using the hot dip galvanising process (similar to chroming) we create the finish. 5 stages in total are needed with a final hand brushing and lacquer. The result, is distinctive and hardwearing, with each radiator completely unique due to the amount of hand finishing.

Please note: galvanised Ancona's are available with welded feet only in set sizes, see pages 144-145

Helpful notes & advice;
Please call us on 01342 302250 if you need any further information or help with specifying your Ancona®.
Ancona® sections are 45mm wide, therefore the total radiator length is; “no. of Sections x 45mm + 24mm for bushes + valves”
When considering the height of your radiator remember that your mounting option will affect the overall height of your radiator. Made To Order Anconas® are supplied factory assembled up to a maximum of 40 sections. For radiators outside these parameters there is an additional joining charge please consult Customer Services to discuss alternative requirements.

Ancona® Made to Order

shown on pages 18-27

Specify your radiator on line; Use our **Online Radiator Builder** to quickly and easily specify your radiator.

Go to our website **www.theradiatorcompany.co.uk**.

Use these tables to specify your radiator by following these steps;

- 1
- Calculate the heat output you need for your room, using our online **Heat Output Calculator** or check with your installer, remember you may need more than one radiator to heat your room.
- 2
- Use the tables below and right to find the best size to suit your space and heat output you need; if you cannot get the right size and output combination from a 2 column radiator try an alternative height or column (depth) option, see page 138 for more details on how to size your radiator.
- 3
- Choose the style of mounting option you want; standard wall brackets are included in the radiator price (universal wall brackets for lacquer finishes). If selecting cast feet or welded feet there is an additional cost, see pricing tables on page 143.
- 4
- Choose your colour from a choice of 188 RAL colours and 31 special finishes including bare metal lacquer. For galvanised finishes please see pages 144-145.

All prices and outputs are given per section in the tables below. Price per section includes plugs, bushes, diverter, wall brackets and wall ties.

Alternative mounting options must be selected separately, these will include the air vent and appropriate number of wall ties.

Made To Order Anconas® are supplied factory assembled up to a maximum of 40 sections. For radiators outside these parameters there is an additional joining charge please consult Customer Services to discuss alternative requirements.

Ancona® Made to Order - Wall Brackets

Once you have chosen your radiator size you can choose any one of our 3 mounting options & specify at time of order (fittings are available to order with a corresponding radiator only).

Included in your radiator price you have standard wall brackets. The correct number of brackets and wall ties will be supplied with each order; prices for extra wall brackets and wall ties are available on request, please call **01342 302250**.

Technical & pipe centre information of each mounting option is shown below / right.

Please note: Anconas® in a bare metal lacquer finish are only available to be mounted with universal wall brackets or welded feet.

*PPANCOWNB

Standard wall brackets technical & pipe centre information (suitable for stud walls) (appropriate for all finishes except Bare Metal Lacquer)
